

US 101 Carpool Lane Improvement Project

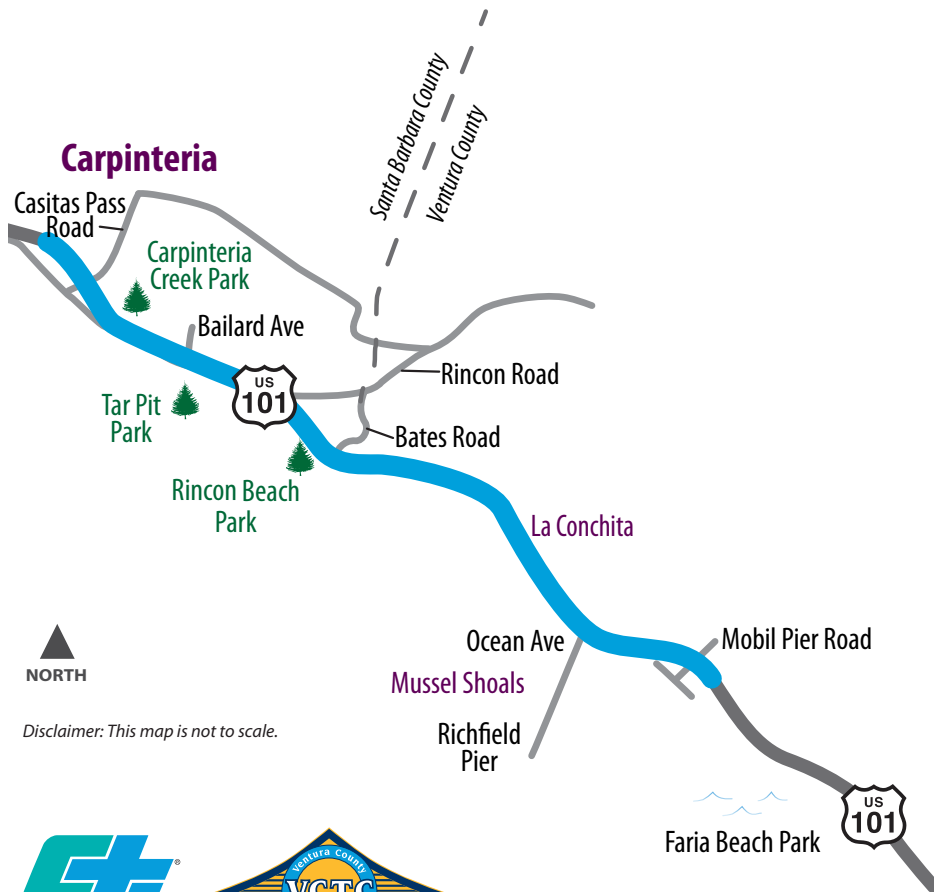

Ventura and Santa Barbara Counties

SANTA BARBARA & VENTURA COUNTIES
CARPOOL LANE PROJECT

Overview

Over the next four years the California Department of Transportation (Caltrans), serving Los Angeles and Ventura Counties, will construct a six-mile carpool lane in each direction for vehicles with two or more passengers, along US 101 from Mobil Pier Road to Casitas Pass Road. The \$102 million project will alleviate congestion, encourage carpooling and improve air quality.
